

GET THE IDEA COURSE

PRE-REQUISITES:

Every person with good sailing skills is more than welcome to join us. There is no need for any other technical skill.

COURSE STRUCTURE:

The course is a 1-day experience to make you realize how many amazing things can be done with electronics onboard.

COURSE CONTENTS:

During the day the students will be able to touch and try many different tools, play with the latest technologies, enjoy a bit of sailing and realize the difference between sailing with electronics or without.

NEXT DATES:

Contact us to know where and when the next course is going to be!

Or gather a group of friends and ask us to do it for you!
